Making Healthcare Affordable with 0% Interest Free Loans

We offer fair, affordable medical financing for everything from fertility, surrogacy and adoption services, through to hip replacements and cosmetic surgery. All at the lowest rate in the world.

Putting patients first

Our compassionate, people-first approach, and suite of financial services, takes the worry out of paying for your medical fees.

- Guaranteed financing at the lowest rate on the market, **now just 0% APR.**
- Pay 4-6 x less than with any other medical loan provider.
- No early repayment or late payment fees.
- Flexible repayment terms of up to 15 years.
- Added benefits, including unemployment protection.
- Loans of up to \$350,000, with no medical insurance required.
- 100% insurance dispute resolution success rate.

Hassle-free financing

We believe in taking the stress out of paying your medical fees. Once you know how much your treatment is going to cost, it's a simple process to get things moving. So you can get on with your treatment.

What it costs

We offer the most affordable way to finance your treatment. In fact, BetterMed borrowers pay at least 4-6 x less than with any other provider.

How it works

Simply fill in our online application form and upload your personal documentation. We ask you to pay an application fee of \$999 as a form of security on the loan, which comes off the total amount you pay back. Then we do the rest.
